Kawaii Panda Blanket

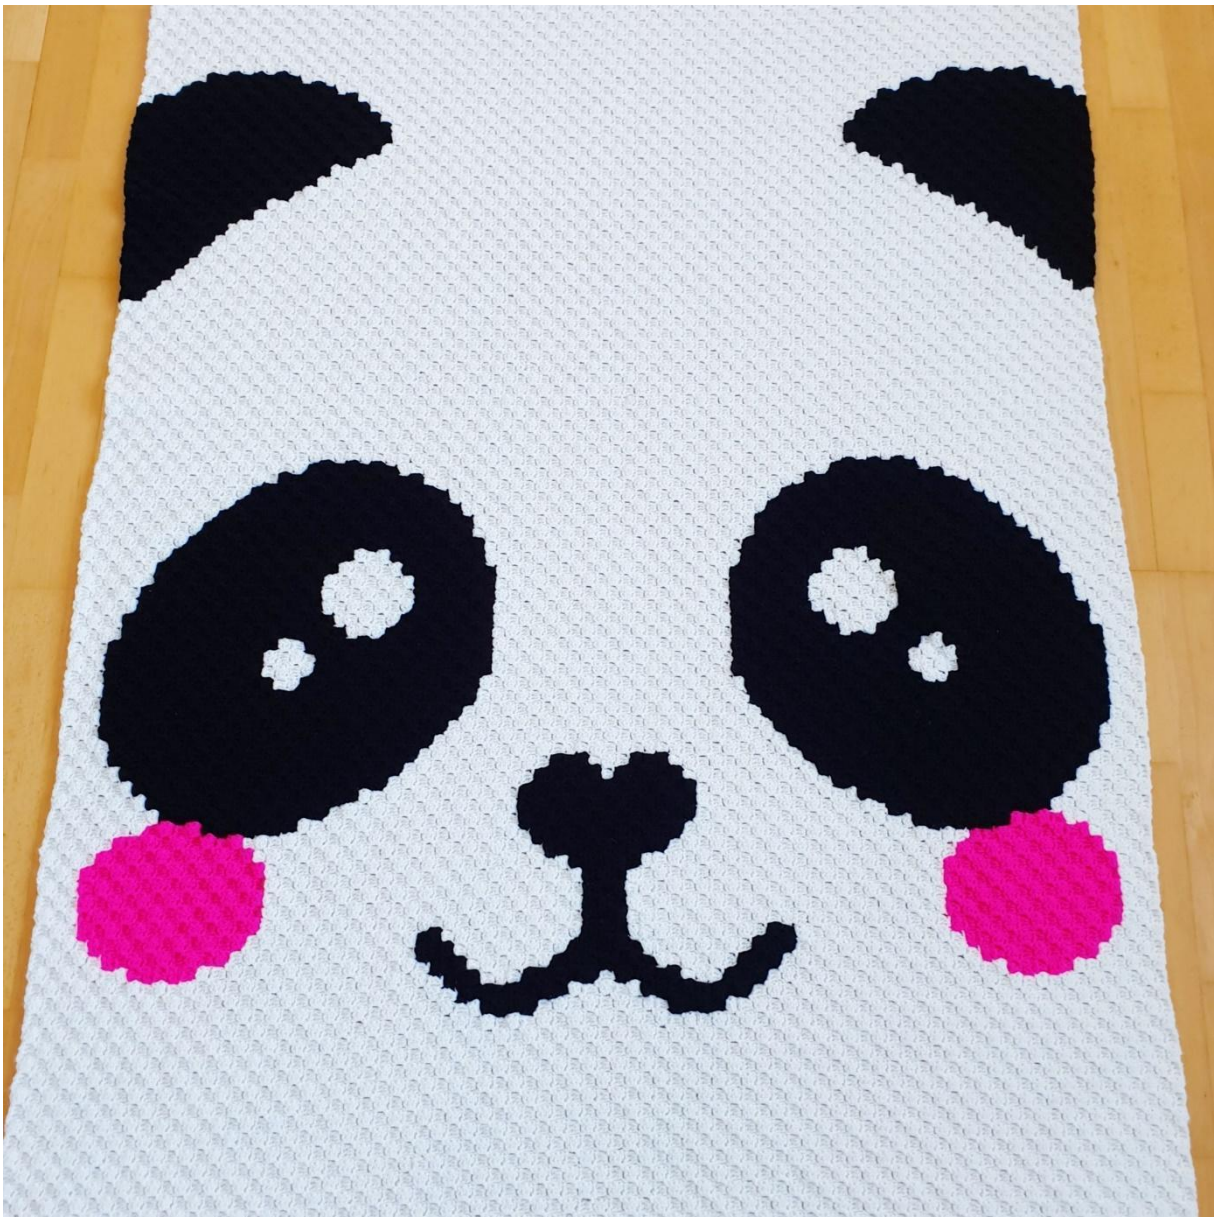
Nr. 1011-192-8760

Poziom: Pośredni
Szydełko: 4.0 mm
Włóczka: Amigo
White (#1) - 17 motków
Black (#12) - 4 motki
Neon Pink (#55) - 1 motek

Wymiar: 200 x 130 cm

Kup włóczkę tutaj:
http://shop.hobbii.pl/kawaii-panda-blanket

Skróty:
PS = Prawa strona
LS = Lewa strona
oś = oczko ścisłe
psł = półsłupek
sł = słupek
o = oczko



Kocyk jest szydełkowana metodą: corner to corner “C2C”.
Wzór składa się z diagramu oraz opisu dla każdego rzędu, dzięki czemu można łatwo sprawdzić, ile kwadracików/pixels, danego koloru powinno być wykonanych w rzędzie. Jeżeli po danym kolorze nie ma podanej ilości, oznacza to, że należy szydełkować tylko 1 raz. Strzałki w opisie pokazują w którą stronę należy szydełkować. Zacznij szydełkować w prawym dolnym rogu.

Proponujemy wrobić końce włóczki stopniowo podczas szydełkowania, w ten sposób unikniesz wrabiania miliona końcówek na samym końcu ☺
Jeśli praca z wieloma motkami w różnych kolorach jest uciążliwa proponujemy owinąć

włóczkę na spinacz do bielizny a następnie przypiąć na boku ten kolor włóczki który obecnie nie jest Ci potrzebny. Zapobiegnie to splątaniu się włóczki podczas szydełkowania.

Opis każdego rzędu

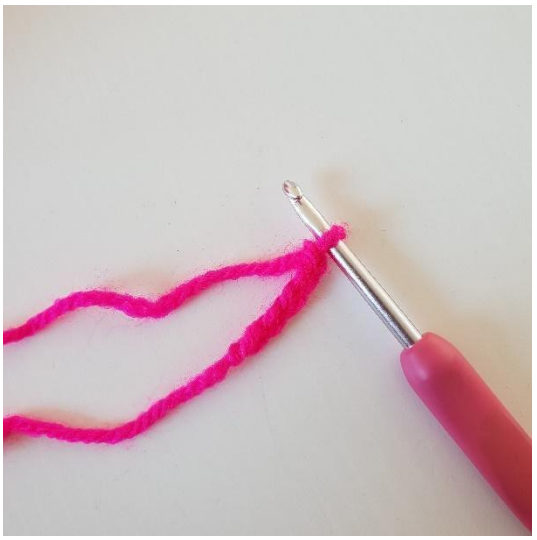
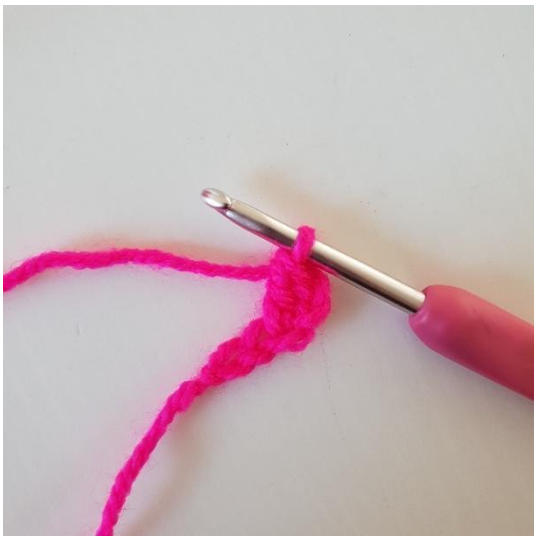
Corner to corner

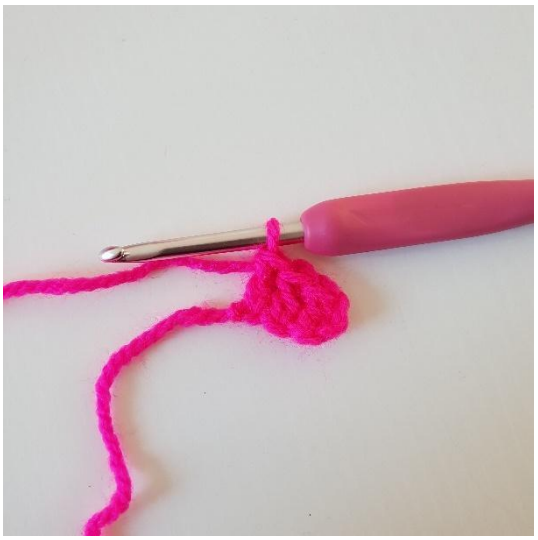
Rząd 1



1. Zrób 5 oczek łańcuszka

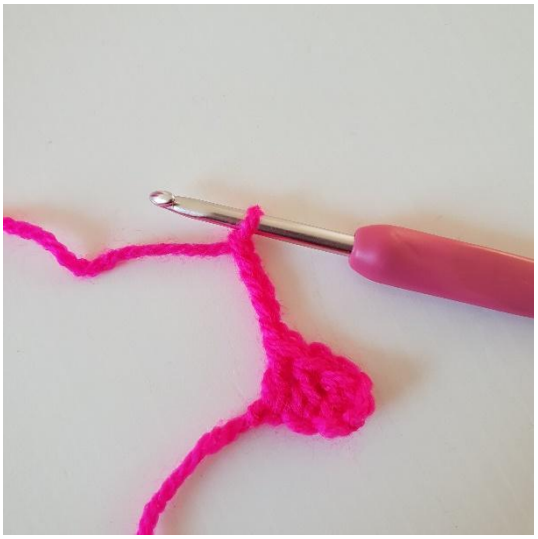


2. W 3 oł szydełkuj 1 sł

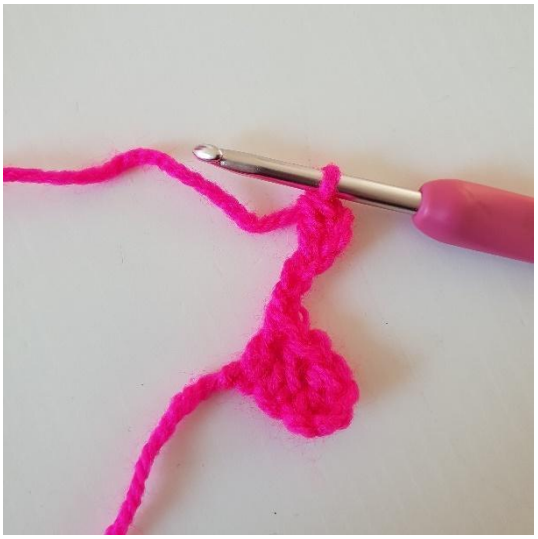


3. Szydełkuj sł w następnych 2 oł.
Został zrobiony pierwszy pixel

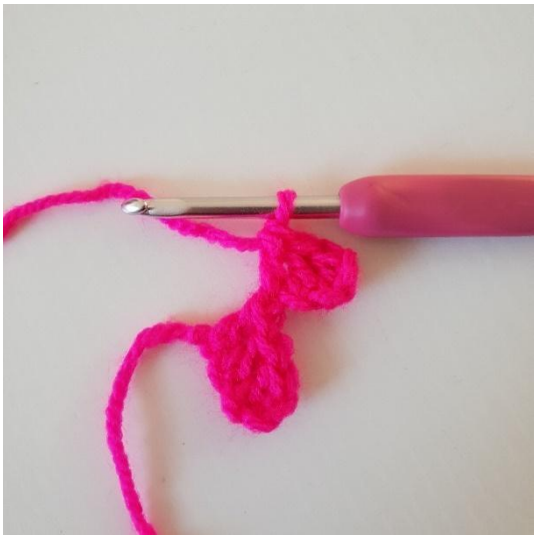
Rząd 2



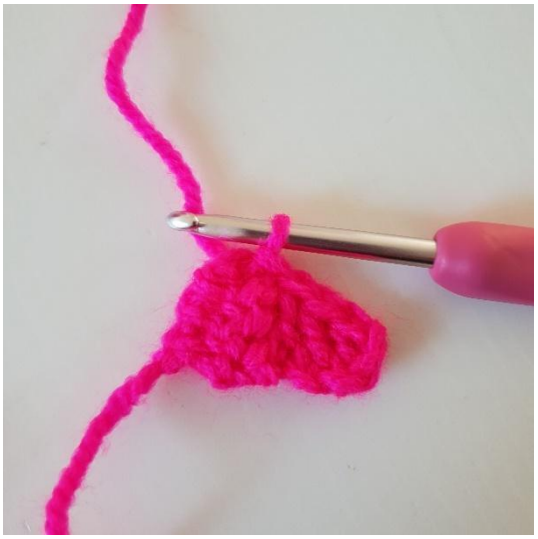
1. Zrób 5 oczek łańcuszka



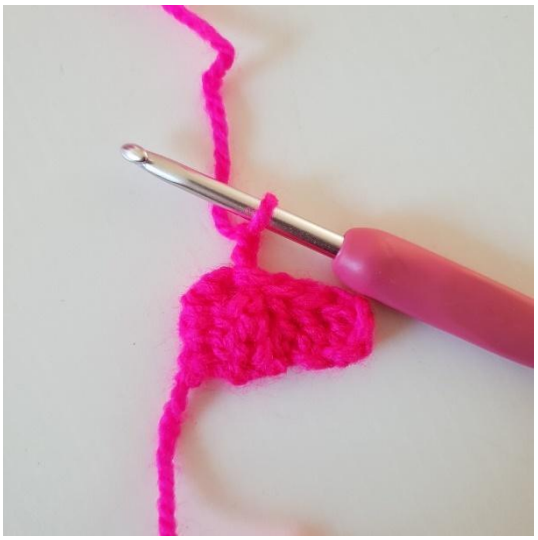
2. Szydełkuj 1 sł w 3 oł od szydełka



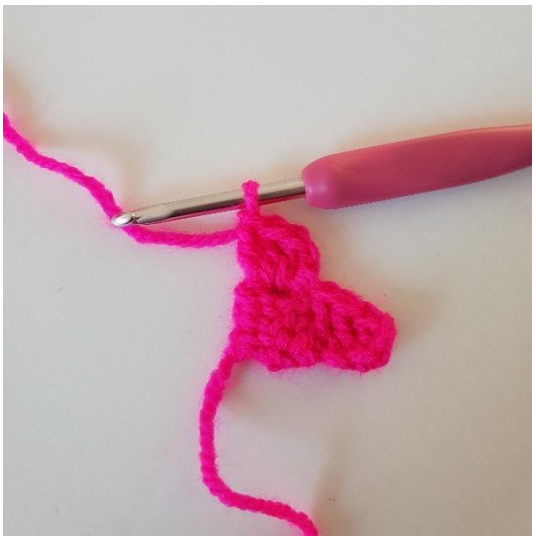
3. Szydełkuj sł w następnych 2 oł. Masz kolejny pixel.



4. Teraz łączymy kwadracik z pierwszym kwadracikiem. Odwróć kwadracik i wykonaj 1 oś z lewej strony pierwszego kwadracika. Na zdjęciu widać połączone kwadraciki.

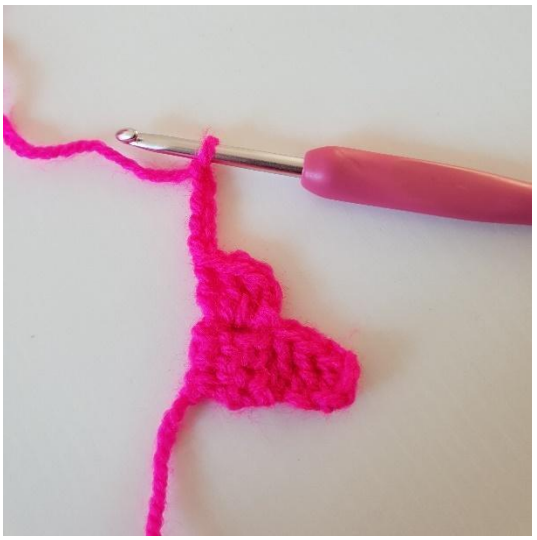


5. Zrób 2 oł (zastępują pierwszy sł)

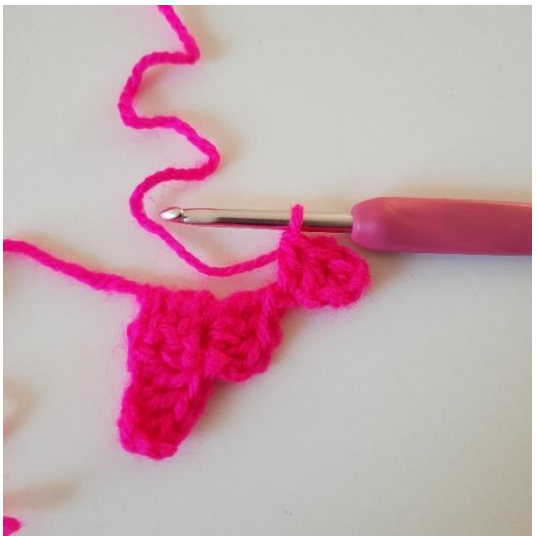


6. Szydełkuj 3 sł w łuku, w którym właśnie zrobiłaś 1 oś. Masz 2 kwadraciki w 2 rzędzie.

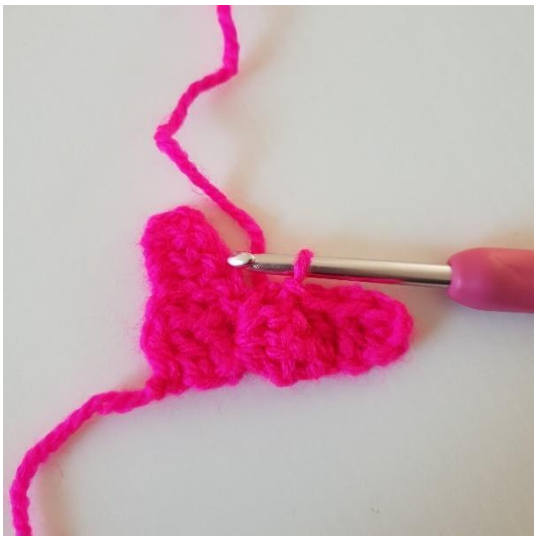
Rząd 3

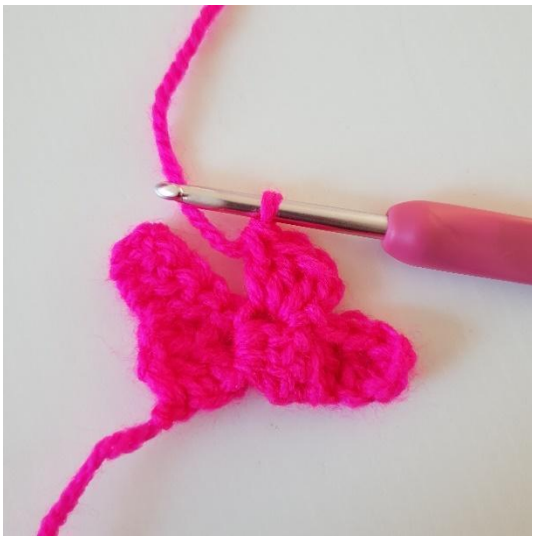


1. Zrób 5 oł



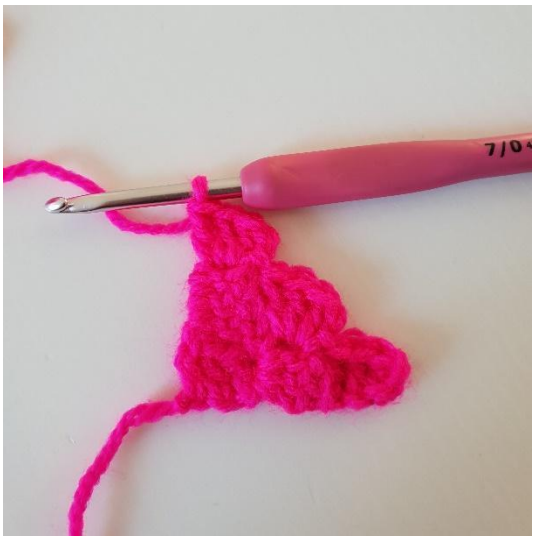
2. Szydełkuj sł w 3 oł od szydełka, a następnie 1 sł w ostatnich 2 oł.





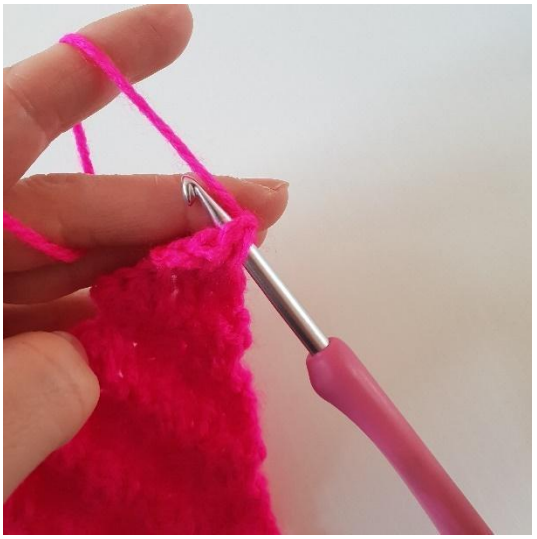
3. Szydełkuj 1 oś w kwadraciku poniżej.

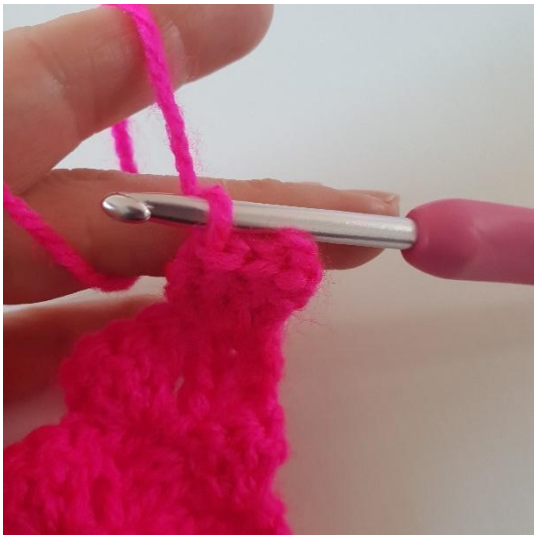
4. Zrób 2 oł i szydełkuj 3 sł w łuku, w którym zrobiłaś 1 oś.



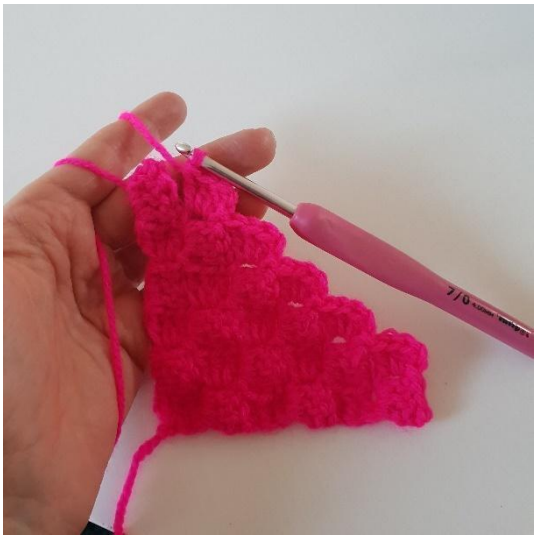
5. Wykonaj 1 oś w kwadraciku obok. Zrób 2 oł.
Szydełkuj 3 sł w łuku, w którym zrobiłaś
1 oś. Masz teraz 3 kwadraciki w rzędzie i rząd 3 jest gotowy.

Zmniejszanie do rogu

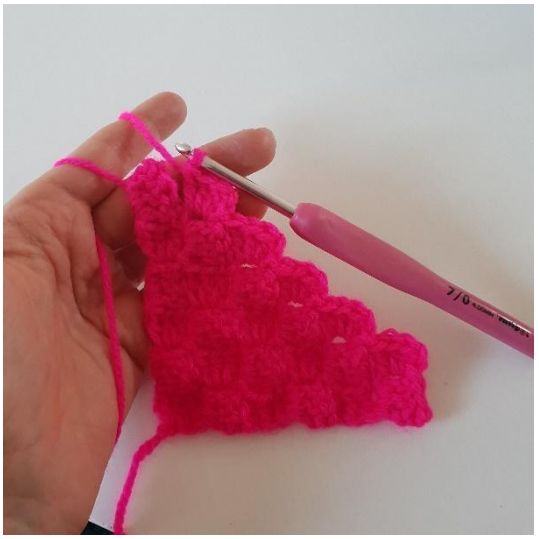




1. Zamiast wykonać 5 ol na końcu rzędu należy teraz szydełkować 3 oś wzdłuż boku ostatniego kwadracika.



2. Kontynuuj szydełkowanie kwadracików jak wcześniej



3. Na zdjęciu pokazano, jak należy zmniejszać ilość kwadracików w rzędzie szydełkując kwadraciki razem 1 oś.
